

CLINTON SAILING CLUB

Would your child – or a friend – like to sail?

Here is their chance to learn in summer 2017!

Clinton Sailing Club (CSC) is offering “Sailorships” for up to 40 Clinton children ages 8-18 to participate in a FREE one-week sailing lesson experience in summer 2017.

Sailors will learn parts of the boat, important sailing terms, and experience first hand sailing a boat in Clinton Harbor! Lesson dates are every week in summer starting the week of June 19th and running through August 25th. Lessons take place at Clinton Town Beach daily from 9-12 and 1-4pm.

CSC offers both beginner and intermediate sessions. If you've sailed with us before, feel free to take beginner again and have even more fun - or move up to intermediate if you're ready for a new challenge.

Applying for a Sailorship is easy. Just tell us why you would like to learn to sail this summer! It's important that kids write this, not parents. CSC's Board of Directors will review the essays and determine scholarship winners by May 1st. Preference will be given to families with financial need, but all are encouraged to apply.

***Please email completed applications to
