Part 2 – Questions

Please answer on a separate page and submit with application. If you are applying for a Junior Instructor position, you are only required to answer question 1.

1. At Clinton Sailing Club, we uphold smart, safe, and strict safety standards while also creating an environment that is fun and exciting for everyone. How will you contribute to this environment, and do you feel you would bring anything unique to this aspect of our program?
2. What are some skills and experiences you have that you feel will benefit our program?
3. At CSC, we believe in active learning. Therefore, instructors should not be sailing the boat for the students, and instead teaching actively while sailing and helping students to feel comfortable on their own. That is why you are surprised when you are sailing with your students and you see your co-worker/friend sailing by, holding the tiller and mainsheet for their kids. How do you approach the situation, and help your co-worker/friend to let their students do the sailing, without making anyone upset?

Part 3 – Previous Employment and References

You are required to also submit a copy of your resume with your application. Junior Instructors are not expected to submit a resume, however should feel welcome to do so if they have one.

Have you worked at or attended any other sailing programs before? If so, where and when?

Have you ever worked with teaching kids and young people before? If so, where, when, and in what capacity?
